Features of Infinity Series Stainless Steel Sinks

- Infinity Series sinks are pressed/drawn from appliance grade **Certified 304 Stainless Steel** to better **Match Appliances**. Many sink companies use 301 stainless that has less chromium and less nickel. Those sinks are not as bright and turn dull quickly and stay that way.
- Infinity Series sinks are **Individually Pressed** making all four sides equal thickness, then welded. This process makes Cygnet sinks stronger, heavier and quieter
- Rated for up to **1.5 HP Garbage Disposals**
- The finishing process is **Fully Automated** for consistency.
- All Cygnet sinks have **Eco-Friendly Bottom Coating** and have an **Exclusive Bottom Thermal Pad**.
- **Sound Reduction Technology** utilized in the automotive industry. We do not use recycled tires like some companies that cause foul odors in the sink cabinet.
- **Cygnet Stainless stands behind all their products** with a Limited Lifetime Warranty on the finish.
- Infinity Series sinks are **Certified by an Independent Lab** to meet building codes in the United States and Canada.
- Unlike Cygnet Stainless Steel products many sinks are unbranded, not certified, or do not meet codes

Features of Infinity Series Stainless Faucets

Lead Free Healthy Choice Faucet™

- Solid Stainless Steel, **heavy** and built to last as long as your Granite or Quartz countertop.
- All Faucets Heads and Bodies **Guaranteed Not to Peel** for Life
- No clearcoat or finish to wear off
- **Certified 304 Stainless Steel** for long-lasting bright finish
- New quieter long-lasting vinyl **Swivel Top Hose**
- Pullout Faucets have **Spring Assist Technology**, no weight to bang on plumbing valves and pipes or hang up on items stored under the sink.
- **Forward-motion-only handles**, no issue with Decorative Mosaic Tiles or Granite backsplashes.
- **Soap dispenser with longer spout**, so it does not drip on granite or run-down the sink.
- **Lead-free**, Meets Health Code NSF/ANSI61
- California Compliant
- **UPC Certified** to meet Codes in the US and Canada
